

Public-private dialogue in Catalonia

Workshop on support for Euro-Mediterranean industrial cooperation regarding Dimension 7 of the European Charter for Enterprise: Public-Private Dialogue

16th April 2012

Catalonia: a strong civil society

- A rich tradition of stakeholders linked to the economic / business / industrial issue
 - Employer's Associations
 - Trade Unions Businesses Associations
 - Sectorial Associations
 - Etc.

- Specific local stakeholders

It is necessary to develop an strategic approach to all those issues taking into account the opinion of this strong civil society

A map of the strategic approach to the policy making

European Guidelines

Government Plan

Strategic Agreements to promote the internalisation of the Catalan economy, the strengthening of its competitiveness and job quality
